THIS IS TO CERTIFY that the aquaculture operation shown above and its products have been registered per the requirements of the Florida Aquaculture Policy Act, Chapter 597, Florida Statutes.

THIS CERTIFICATION REGISTRATION MUST BE DISPLAYED or in the possession of any person engaged in the handling, distribution, or sale of aquaculture products.

Certification of this aquaculture operation in no way implies endorsement by the Florida Department of Agriculture and Consumer Services as to the quality or authenticity of this product, nor does it exclude this operation from having to obtain the required regulatory permits and/or licenses. Certification does acknowledge that the commodity is an agriculture product.
